REMINDERS:

1) An email of certification and support from your academic Advisor, stating that you are currently enrolled as a student and you are planning to attend and present a paper at the conference for which you are asking for the travel support, should be sent to Luca Zaccarian, Chair of Student Activities Committee of the IEEE Control Systems Society (zaccarian@laas.fr)

2) One registration fee at the advance registration rate must be paid by one of the authors before uploading the final version of the paper for inclusion in the conference proceedings. Note that the Student registration fee enables for the upload of one paper; the full rate registration fee for the upload of up to three papers.
